“Bad IQ” Documentary Summary

Tag:

- Not just a film about autism, but a film filmed by autistic students.

Summary:

- An in-depth look at Autism, Asperger's Syndrome and other neurobiological disorders and the social impact it leaves throughout the public and the world. And to commit to raising public awareness and funds for new innovative ideas that can bring hope to all who deal with the hardships of this disorder.

Objective:

- To take a film crew & Autistic students to various locations across the country to continue filming and interviewing selected celebrity cast related to the project and help change the future for all who struggle with autism spectrum disorders. And to engage these same students and crew into the everyday activities of filmmaking, including but not limited to developmental skills in writing, directing, editing, journalism, composing and more.

Celebrities Currently Attached and Filmed:

- William Fichtner, Philip Seymour Hoffman, Aidan Quinn, Penny Marshall, Robert Forster, Louis Gossett Jr., Charles Grodin, Arthur Nascarella, Mark Johnson, Joe Mantagna, Ed Asner.

Budget:
